Stamina, energy, judgement, memory. . . As you age, you get weaker in certain ways. For me, I've been starting to cry more easily.

When I was younger, whenever I found movie or novel advertisements that said things like "Impressive Masterpiece!" or "Guaranteed to make you cry!", I would think that they're actually trying to make you cry, so I always refused to do so. But these days, I just can't stop myself.

...Oh well, I guess it's not so bad.

T-Talking about changing, dating and stuff is really hard, you know!

Anyway, what I was trying to say is...

...

That day, my mindset changed

Up until now, even if I had free time, I'd fly out of here and seclude myself in the mountains

But now I understand

The reason why I put so much effort into it...

My reason for forging and polishing myself into a powerful and excellent person.

...That is the reason for it all

Was so that I could someday have the meeting of a lifetime, to be able to complement an amazing guy—

It's all for the happiness of being with someone.

My life until now.

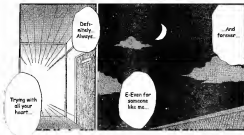

All that cultivated power—

If I went with you, I wouldn't be able to do anything.

I've taken French, but I'm not really good enough to hold a conversation...

But...

I remember a similar conversation that we had two years ago...

...And I probably wouldn't be able to help much...

I was worried about whether I could fit into a country that had such different language and culture,

and I was afraid that I wouldn't be able to study fun, much less make a living from it...

Huh...?

Back then, I was really nervous...

Yup,

but marriage  
is, in itself,  
a fairly  
shocking  
experience  
for young  
people

Not only  
was it so  
sudden,

Momono-  
san and  
Shiba-san

were  
engaged  
before our  
very eyes..

...and  
promptly  
fainted.

Asami-  
chan  
screamed,  
"So  
grown-  
up-!!"

but before  
we knew it,  
the party  
became a  
celebration  
for the  
 betrothed,

Maybe we  
were supposed  
to be throwing  
a farewell party  
that day,

and  
came on  
through the  
night,

And  
then...

The next day,  
Momono-san  
began  
making  
preparations  
for her trip.

As for us,  
we perked  
day and night,  
making the  
most of our  
remaining  
time with her.

She said she did it  
so that Momono-san  
could leave Japan  
with just one bag.  
She now uses it  
as an AV room,  
but she leaves the  
rest of it as it is.

By the way,  
Tamami-chan  
took over  
the rent for  
Momono-san's  
room.

Tamami-chan's  
real intentions  
were probably  
a bit different,  
though...

with a  
smile that  
never  
waned.

As for  
Kozue-  
chan,

she gave  
Momonos-  
san her  
blessings

but nothing  
happened,  
possibly  
because  
her feelings  
came from  
the bottom  
of her heart.

At first, I  
was a little  
worried that all  
these events  
would overwhelm  
Kozue-chan  
and change her  
personality.

...That is  
how the  
last week  
flow by...

...It's time  
for me  
to go.

Momono  
-san...

left  
Narutakisou.

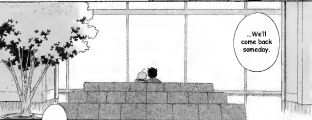

...It was  
a spring  
morning.

and the  
flowers  
were  
budding.
